We agree on the following issues:

We agree to attend voluntary mediation. We understand that if we reach an agreement in mediation, our agreement will become an order of the court. We understand that if we do not reach a full agreement and one parent/party decides to file a motion within six months of our mediation date, this mediation date will satisfy the requirement that we attend mediation before our court hearing. We understand that this mediation is confidential and will be limited to one session. We certify that there was a prior order filed and that we have not been to court or mediation regarding visitation/custody of our children for the past two year.

We agree to the above:
