JUVENILE JUSTICE COMMISSION

GENERAL MEETING SUMMARY

July 19, 2016

Seven (7) Commissioners attended the July 19, 2016 general meeting of the San Francisco Juvenile Justice Commission (JJC).

- On the date of the Commission meeting, the Youth Guidance Center population was 7 girls and 41 boys. There were 12 boys at the Log Cabin Ranch.
- Maggie Dan, Nurse Manager/Operations Director attended the meeting and shared that SPY is shifting to focus more on mental health.
- The Blue Water Foundation, a group of professionals who does sailing, have visited the Ranch and are excited to be teaching sailing classes and taking the youth sailing with their families. The goal is to instill comradery and positive interaction between the boys.
- Frank Shamrock, a retired mixed martial arts fighter, visited Log Cabin Ranch and Juvenile Hall. He has a foundation and offered the youth a full scholarship to his martial arts program when they get out of their program at LCR or JH. He also wrote a book and gave all youth a copy of it.
- The Department of Children Youth and Families is conducting a survey and interviewing people to determine the needs of youth in the community. Community groups in juvenile hall will be interviewed. This will allow the youth will have an opportunity to talk about what kinds of programs work and what they can do without.
