Time: 3:00 – 4:30 p.m.

To All Asbestos Counsel:

You are invited to an Asbestos Bench-Bar Conference on Wednesday, November 13, 2024, in Department 301. This conference will bring together Department 301's Judge, Clerk, and Staff Attorney along with all asbestos counsel and practitioners who wish to attend.

The conference's purpose is to address issues surrounding motion practice, solicit counsel's suggestions and concerns, and improve the department's practices. The department encourages all counsel to participate and use this opportunity to raise any topics that impact the efficiency and effectiveness of court proceedings.

Please consider what issues or suggestions you would like to discuss. My clerk will ask for your topics about one week before the conference so that the court can prepare an agenda and, in the event that some topics recommend a change in court operations, determine the feasibility with court operational staff. Topics that are not included in the agenda are still open for discussion at the conference.

We look forward to your participation.
