CLERK OF THE COURT  
BY: *Andrey Johnson*  
Deputy Clerk

SUPERIOR COURT OF THE STATE OF CALIFORNIA  
COUNTY OF SAN FRANCISCO

IN RE COMPLEX ASBESTOS LITIGATION

Case No. CGC-84-828684

**ASBESTOS TRIAL MANAGEMENT  
ORDER**

The Court has previously found that Asbestos cases constitute “complex litigation” within the meaning of standard 3.10 of the Judicial Administration standards. These cases require exceptional judicial management to avoid placing unnecessary burdens on the Trial Court and litigants. In order to ensure that trials proceed expeditiously, efficiently, and fairly, this Court orders the following:

**1) MOTIONS IN LIMINE**

Before any motions in limine (“MIL”) are filed with the Court, the parties are ordered to meet and confer on all MILs to determine if stipulations can be reached. <sup>1</sup>

<sup>1</sup> Any frivolous MIL filed, the trial judge will take appropriate action as allowed under CCP § 128.7 et seq.

1 Each side is initially limited to five (5) joint MILs not to exceed five (5) pages per motion,  
2 excluding exhibits. *However, the joint MILs are restricted to one issue and cannot have subparts*  
3 *arguing additional issues. Furthermore only one declaration per MIL is required to support the*  
4 *arguments. Therefore no additional declarations should be submitted in support of the same*  
5 *arguments. Declaration should not exceed three (3) pages.* This five motion limit does not  
6 include motions pertaining to experts such as motions under *Evid. Code §§402, 403. However,*  
7 *should the Defendants seek to exclude the same expert on the same arguments or the same legal*  
8 *theories in an Evid. Code § 402 hearing, the Defendants must submit the request under a joint*  
9 *motion with only one declaration, not to exceed three (3) pages. Parties are permitted to include*  
10 *as one exhibit the entire expert's deposition in the at issue case.*

13  
14 If a party has good cause for additional MILs, that party may request additional MILs by  
15 submitting a declaration, not to exceed three (3) pages, to the trial judge or the Supervising  
16 Asbestos Judge with a brief description of the evidence sought to be precluded or limited and an  
17 explanation as to why the motion is required. Should additional MILs be allowed by either the  
18 Supervising Asbestos Judge or the trial judge, a briefing schedule will be ordered at that time. If  
19 the right to bring additional MILs is denied, any party may still make trial objections at the time  
20 the evidence is proffered because this is not deemed a ruling on the merits.

22  
23 All joint defense MILs are deemed joined by all defendants unless a defendant specifically  
24 indicates otherwise.

25  
26  
27 The initial joint defense MILs and plaintiffs' MILs shall be filed and served on all parties no later  
28 than two (2) court days after assignment of the case to a trial judge, or within two (2) court days

1 of receiving notice from the Supervising Asbestos Judge of an impending trial assignment.

2 Oppositions to the MILs are due two (2) court days after the MILs are filed and served.

3  
4 Courtesy copies of the initial joint defense MILs and plaintiffs' MILs and Oppositions must be  
5 provided to the trial department with each side submitting a single submission of the MILs  
6 accompanied by the respective Oppositions in an indexed, tabbed binder. Any party whose  
7 request for additional MILs has been granted shall submit those MILs with the respective  
8 Oppositions in a single submission to the trial department in an indexed, tabbed binder.  
9

10  
11 **2) EXPERTS**  
12

13  
14 Demands for exchange of expert information are deemed served. Expert designations shall be  
15 served pursuant to *Civ. Proc. Code §2034.260, et seq.*  
16

17  
18 A request for another party's experts' depositions must be made in writing and copied to all  
19 parties.  
20

21 A party who receives a request for the depositions of its experts must provide dates and times for  
22 those depositions within five (5) court days of receipt of the request.  
23

24  
25 The offering party shall make a good faith effort to provide a minimum of six (6) court days  
26 notice as to the date of the expert deposition. In no event will experts be offered on less than  
27 four (4) court days notice. The parties shall have no less than two (2) court days to accept or  
28

1 decline any offered expert's deposition. The parties shall meet and confer in good faith if the  
2 deposition times in the same case are conflicting.

3  
4  
5 A party offering the expert for deposition before any request is made must provide a minimum of  
6 ten (10) calendar days notice. The responding party will have no less than four (4) court days to  
7 accept the deposition. Depositions of experts shall not occur more than 40 calendar days before  
8 trial, except for good cause.

9  
10 No later than 48 hours prior to the scheduled deposition of an expert, a party is required to  
11 produce the expert's file, notes and reports for the specific case. However, this does not preclude  
12 a request for additional materials.

13  
14  
15 If there are issues regarding the completion of expert depositions that impact the orderly progress  
16 of the trial, the Supervising Asbestos Judge shall be so advised before the case is assigned to a  
17 trial department.

18  
19  
20 **3) WITNESS AND EXHIBIT LISTS**

21  
22 No later than two (2) court days after the date of the assignment of a case to a trial judge, the  
23 parties shall submit witness lists and exhibit lists to the trial department.

24  
25  
26 **4) JURY INSTRUCTIONS**

27 No later than two (2) court days after the date of the assignment of a case to a trial judge, the  
28

1 parties shall submit a joint standard jury instructions, without prejudice to submitting further  
2 instructions at a later date.

3  
4 **5) DESIGNATIONS OF FORMER TESTIMONY**

5  
6  
7 No later than seven (7) calendar days before the initial trial date, the parties shall serve on all  
8 parties a list of all former testimony that will be used at trial, except transcripts to be used for  
9 cross-examination. The list shall include the name of the witness (first and last name), the  
10 caption of the case in which the testimony was taken, the date(s) of the deposition or trial  
11 testimony, and the court reporter's contact information, if known. If a party in good faith does  
12 not possess the transcript, the party may request the transcript from the designating party who  
13 shall provide it within two (2) calendar days of the request.  
14

15  
16 No later than two (2) court days after the date of the assignment of a case to a trial judge,  
17 page:line designations of the former testimony shall be served on all parties. Absent leave of  
18 court for good cause shown, designations for any witness shall not be made from more than five  
19 (5) former cases.  
20

21  
22 Within three (3) court days of the receipt of said page:line designations, any counter designations  
23 or objections shall be served on all parties. Within one (1) court day of the receipt of any counter  
24 designations or objections, counsel with full authority for each party shall meet and confer in  
25 good faith to resolve any disputes regarding the page:line designations of the testimony. The  
26 parties shall then promptly provide to the Court in a single submission a marked transcript  
27 containing those portions of testimony that remain in dispute. The testimony will be marked in  
28

1 contrasting colors, with designated testimony in one color, counters in another color, and  
2 objections in the margin, identifying the party asserting them. No former testimony shall be used  
3 at trial without a minimum of 48 hours advance notice to all parties.  
4

5  
6 If the proposed page:line designations are especially voluminous, the responding party may  
7 request relief from these deadlines upon a good cause showing to the trial judge.  
8

## 9 **6. TRIAL BRIEF**

10  
11 On the day of trial assignment or by the first trial appearance, which ever date is earlier, parties  
12 must submit a trial brief. The trial brief must include a succinct summary of the facts of case,  
13 Plaintiff(s)' claim(s) against the defendant, and Defendant(s) asserted defenses. Plaintiff's trial  
14 brief may not exceed ten (10) pages and no exhibits are permitted. Defendant's trial brief may  
15 not exceed five (5) pages, and no exhibits are permitted. The trial brief may not be another form  
16 of a Motion in Limine.  
17

18  
19 If a party has good cause to exceed the page limit, that party may request said leave by submitting  
20 a declaration to the trial judge or the Supervising Asbestos Judge with a brief description as to the  
21 good cause basis for relief.  
22

23  
24 The Supervising Asbestos Judge has discretion to revise any deadlines set forth above in cases in  
25 which expedited trial dates have been ordered pursuant to *Civ. Proc. Code* § 36, or as required to  
26 expedite the trial.  
27

1 **7. JURY QUESTIONNAIRE**

2  
3 Attached hereto this Order is Exhibit A, a template for a jury trial questionnaire in an asbestos  
4 trial. Each trial judge has the discretion whether or not to allow a jury questionnaire in an  
5 asbestos trial. The trial judge also has discretion to modify said template for the specific case in  
6 trial as deemed appropriate.  
7

8  
9 This order is subject to modification as deemed appropriate by the Supervising Asbestos  
10 Judge or trial judge.  
11

12  
13  
14 IT IS SO ORDERED.

15

***Please read these instructions carefully before you fill out the questionnaire.***

Your answers will be used by the judge and attorneys to help select a qualified jury and will make the jury selection process shorter and easier. Please take as much time as you need to complete this questionnaire.

***You are ordered not to discuss this case with anyone; do not allow anyone to discuss the case with you. The only information you may tell anyone is that you are in a jury pool for a trial and the time requirements of that trial. You are also ordered not to read, listen to, or watch any news, Internet, or other media accounts of this case, past or present. You may not do research about any issues involved in the case. You may not blog, Tweet, or use the Internet to obtain or share information regarding the subject matter, parties, attorneys, witnesses, or anyone or anything else having any connection to this case. If you have trouble understanding or filling out this questionnaire, please let the court clerk know.

Some of your answers may require follow-up questions in open court by the judge or by the attorneys. You may find some questions to be sensitive and you may prefer not to discuss your answers in open court. If you find question(s) sensitive, please do not answer the question(s) and simply write "confidential" in the space provided for the answer.
